

APPLICATION BRIEF - 69/1211

INDUSTRY: FOOD & BEVERAGE

PRODUCT: ASEPTIC 2-WAY VALVE

MEDIA: STARCH SLURRY / COCOA SLURRY

IMI PBM Solution:

2-Way IMI PBM ball valves were fitted below a gravity fed funnel feeding ambient temperature starch and cocoa slurries used in the food processing production of puddings. Customer was looking for clean-in-place with milled flat ball for cleaning the downstream pipe as well as the body cavity.
