List of supporting documentation and identification of the actual items to be registered: Scope, Bolting/Wall Thickness Calculations, RP-1111-1, RP-1807-1, IMI PBM Product Buletin Listing, Sample Drawings	

Declaration:

I Jeffrey D. Kerr (see note 3) employed by IMI PBM and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by Lloyds Register Quality Assurance as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.
